## COME SEE THE COLOR; TAHOE, NEVADA, THE WORLD.

### CHRIS TALBOT PHOTOGRAPHY EXHIBIT OPENS AT THE NORTH TAHOE EVENT CENTER

(Kings Beach, California) - The imagery of long time local and world travel photographer, Chris Talbot, returned to the North Tahoe Event Center on June 1, 2011 and will remain in the Center until the end of September. To celebrate this exhibit and Lake Tahoe's special culture, an event will be held on Thursday, August 11 with some proceeds going to the North Tahoe Regional Park Friends of the Park Fund.

This all film exhibit is an array of Lake Tahoe, Nevada, and International scenes on canvas. This new exhibit will include International scenes from Vietnam, Cambodia, Thailand and Panama. Rural Nevada will be a new subject as well as the always popular Tahoe panoramas, trilogies and single pieces.

Chris uses both a Mamiya 7II 6x7 rangefinder camera and a solid Nikon F5 35mm to capture "the color". Fuji Velvia 50 is the FILM of choice and he does not "shop" images or use any crafty new digital photography methods. "I don't like changing what was put in front of me by God. That is not my job," says artist Chris Talbot.

Chris has lived in North Lake Tahoe for the past 34 years. As a Tahoe based travel-resort-landscape-wedding photographer Chris Talbot has been aiming his lenses at beautiful subject matter for twenty-five years. He has travelled to over 29 countries and spends three months of the year based out of Saigon, Vietnam. Chris says, "My job is easy; capture beautiful images and show the world. I'm a lucky man." More information on his photography is available at his

website [www.talbotimages.com](http://www.talbotimages.com) and going to the Fine Art Gallery page. Also, look for the Lake Tahoe Tube (lithographs) at numerous Lake Tahoe Retail outlets.

The public is invited to come into the Center during normal business hours to view the art on display at no charge. Exhibits will be rotated approximately every 4 months. The North Tahoe Event Center has partnered with North Tahoe Arts and the Art in Public Places program to provide rotating art exhibits available to the public. The Center hopes to provide a more inviting atmosphere through the showing of artwork with a connection to the North Tahoe Community, either through the artist or content of the work.

The North Tahoe Public Utility District provides sewer and water service to the residents of Kings Beach, Tahoe Vista, Carnelian Bay, Cedar Flat and Agate Bay. The District owns, manages and maintains the North Tahoe Event Center in Kings Beach. This facility offers flexible options for gatherings large and small and indoors and out. Four of eight meeting rooms offer dramatic views of Lake Tahoe. The District owns, manages and maintains the North Tahoe Regional Park in Tahoe Vista which provides recreation opportunities to residents and visitors. In addition, the District owns and/or maintains all of the public beaches in the District including Kings Beach State Recreation Area, Tahoe Vista Recreation Area, and Secline Beach to name just a few.
